CONFERENCE  
2023

22.09.2023 | Blue Tower, Media City

# What is pro-manchester's Creative Conference?

Manchester is recognised as one of Europe's largest creative, digital and technology clusters and is home to a fast-growing £5 billion digital ecosystem.

Come along to pro-manchester's Creative Conference & hear from experts from Manchester's creative community, collaborating and sharing their expertise with the wider business community. Don't miss this opportunity to stay ahead in the ever-evolving creative sector.

Topics to include data-driven marketing, talent recruitment, social media strategies, PR in the digital world, content marketing, ethics, privacy, copyright protection, and the future of digital marketing. Discover emerging trends, technologies, and strategies that will shape the industry and our future.
