

## VE DAY 80 OPERATION VICTORY

Get ready for an inclusive, commemorative event like no other! VE Day 80: Operation Victory promises an unforgettable experience for all adventurers. Embark on a journey through three activity zones and immerse yourself in an exhilarating outdoor adventure. Here, you'll set up camp, enjoy delicious meals, and create lasting memories with your teammates.

Join the Challenge The Wild Team and Ambassador Andrew Jenkins, witness the piper-led emotive lighting of the beacons on the four summits, and participate in the stirring moment of reflection and recognition. Join us for a celebration that combines history, adventure, and camaraderie in a truly unique experience!

#### Our Mission:

At Challenge The Wild, our mission is clear: to utilise the Great Outdoors as a catalyst for personal growth, team cohesion, and collective well-being. Rooted in our *Six Pillars of Resilience*, this event is meticulously designed to elevate mental and physical well-being, promote safety, foster meaningful relationships, and champion inclusivity.

#### THE SIX PILLARS OF RESILIENCE

- Mental Well-being
- Physical Well-being
- Personal & Collective Safety
- Meaningful Employment
- Positive Relationships
- Inclusivity
