

Green Tech Conference 2025

Agenda

09.00 – 09.30

Registration, Breakfast & Networking

09.30 – 09.50

1. Welcome/keynote

Steve Connor – Creative Concern

09.50 – 10.20

2. The Role of Green Finance in Scaling Sustainable Tech Startups – Panel

- Green finance and technology have significant roles to play in facilitating the transition to a low carbon economy. During this session, we'll hear from panellists across the green finance space, from pre-seed through to the perspectives of institutional investors, explore current trends impacting sustainable tech start-ups, and learn how the backing of green finance can help the industry scale-up to navigate the pathway to a sustainable future.

10.20 – 10.40

3. – Scott Manton, Kao Data

10.40 – 11.10

4. ESG Considerations for Tech Startups – Panel

11.10 – 11.30

Coffee break
